Congressman Pence will appear on Fox News' Special Report with Brit Hume tonight at 6 p.m. EDT (5 p.m. Indiana Time) to discuss his proposed media shield law.

The Supreme Court this week refused to hear the appeals of Matthew Cooper of Time magazine and Judith Miller of The New York Times. Pending ongoing legal proceedings, Cooper and Miller could face jail time for their refusal to reveal confidential sources. Pence's 'Free Flow of Information Act', or media shield law, would protect members of the media from revealing the identity of their confidential sources.
