Anderson, IN—U.S. Congressman Mike Pence announced today that the Department of Transportation's Federal Aviation Administration (FAA) has awarded the Greensburg Aviation Commissioners a grant in the amount of $150,000 to help purchase snow removal equipment for the Greensburg Municipal Airport in Greensburg, Indiana.

"It is important to have the proper equipment to ensure the safety of all who fly into and out of the Greensburg Municipal Airport," said Pence. "This grant will allow the airport to purchase snow removal equipment, ensuring that the airport is serviceable during inclement weather."
