Hails 101 New Jobs by 2014

Washington, D.C. – U.S. Congressman Mike Pence congratulated the MBC Group and the people of Brookville, Indiana, for the economic investment the company announced today that will bring 101 new jobs by 2014. The MBC Group, which creates packaging materials for Fortune 500 companies, is investing $4.1 million into four new thermoforming plastic production lines.

"I want to congratulate the MBC Group and Brookville on this important jobs announcement," said Pence. "MBC Group is investing in a terrific community. This announcement is welcome news for Brookville and reinforces the fact that Indiana is a great place to do business."
