Up to 50 New Jobs Will be Added by 2013

Anderson, IN – U.S. Congressman Mike Pence congratulated the city of Columbus and NTN Driveshaft, Inc. on its expansion and job creation announcement today. NTN Driveshaft is a division of the Japanese automotive company, NTN Corporation. Its announcement that it will invest $18 million to expand its operations in Columbus will create up to 50 new jobs by 2013.

"It's always exciting when a company decides to expand in Indiana," said Pence. "NTN's announcement is a blessing and compliment to the hardworking Hoosiers in my hometown of Columbus, and I congratulate them. Once again, this announcement shows that Indiana is a great place to do business."
