Washington, Apr 16 - U.S. Congressman Mike Pence announced today that the Delaware County Airport Authority has been awarded a

Congressman Pence's office is always available for grant assistance.

Federal Aviation Administration (FAA) grant award in the amount of $400,000 for runway rehabilitation.

"Not only will safety at the Johnson Field be greatly augmented with these funds, but my constituents will be better served," said Pence. **"I congratulate the Delaware County Airport Authority on this grant award."**

ADDITIONIAL INFORMATION:

This grant, from the U.S. Department of Transportation (DOT) will provide funds to rehabilitate the runway lighting for runway 14 - 32 at Delaware County - Johnson Field Airport, Muncie, Indiana.

This project will enhance safety by increasing visibility and lighting system reliability in the aircraft movement area.
