Nearly $3.7M In FAA Grants To Aid Construction At County Airport

WASHINGTON, DC - U.S. Congressman Mike Pence announced today that the Department of Transportation's (DOT) Federal Aviation Administration (FAA) has awarded the Randolph County Board of Aviation Commissioners two grants totaling $3,691,659 for construction of a runway at the Randolph County Airport in Winchester, Indiana.

"I am pleased to announce that the Department of Transportation has awarded the Randolph County Board of Aviation Commissioners two grants totaling over $3.6 million to go towards the construction of a runway at the Randolph County Airport," Pence said.

Pence concluded: **"Not only will the safety at the County Airport be enhanced, but constituents of the Sixth Congressional District will be better served. This is welcome news in very difficult times."**
