Washington, D.C. - Congressman Pence today announced his support for H.R. 2369, a bill that would provide flexibility in the way American Legion members pay their dues and renew their membership. Congressman Pence issued the following statement:

"This common sense legislation will streamline the membership process and make it easier for our servicemen and women to participate in their local Legion, while ensuring that local posts can still operate independently.

"While we can never repay the debt of gratitude owed to our veterans, I am proud to cosponsor this legislation to make it easier for them to join and renew their membership with the American Legion."

The American Legion is a federally chartered dues paying organization.
