Anderson, IN—U.S. Congressman Mike Pence announced today that the Department of Transportation's Federal Aviation Administration (FAA) has awarded the Randolph County Board of Aviation Commissioners a grant in the amount of $2,189,583 for construction of a runway at the Randolph County Airport in Winchester, Indiana. This is the final phase of the runway construction project.

"I am pleased to announce that Randolph County Board of Aviation Commissioners will receive funds to help complete the runway construction project at Randolph County Airport," Pence said. "This project will increase the safety of the airfield, helping to ensure that Hoosiers flying into and out of Randolph County remain safe."
