Anderson, IN – U.S. Congressman Mike Pence congratulated Second Steps, LLC of New Haven on being one of 18 companies to earn the Indiana Small Business Development Center Network's Economic Development through Growth and Entrepreneurship (EDGE) Award. This award recognizes clients of the Indiana Economic Development Corporation's Small Business Development Centers' nine regional offices throughout the Hoosier state in two categories – emerging and established. New Haven's Second Steps, LLC has received the award in the emerging category.

"I congratulate the employees of Second Steps for earning the EDGE award," said Pence. "Their dedication and hard work provides a vital service to autistic children and their families in the Fort Wayne area."
