Anderson, IN – U.S. Congressman Mike Pence congratulated the Severe Weather Alert Team (SWAT) of Muncie on being one of 18 companies to earn the Indiana Small Business Development Center Network's Economic Development through Growth and Entrepreneurship (EDGE) Award. This award recognizes clients of the Indiana Economic Development Corporation's Small Business Development Centers' nine regional offices throughout the Hoosier state in two categories – emerging and established. Muncie's Severe Weather Alert Team has received the award in the emerging category.

"I am pleased to congratulate the hard-working employees of SWAT for earning the EDGE award," said Pence. "SWAT provides a vital service for Muncie and the state of Indiana. This recognition is well-deserved and I thank SWAT's employees for their service."
