Congressman Mike Pence guest-hosted *Family Research Council's* "Washington Watch Weekly" radio program in the stead of FRC President **Tony Perkins**
.

The audio of the radio program is available online **HERE** and for download **HERE** .

From FRC:

On this week's edition of Washington Watch Weekly: Congressman Mike Pence (R-IN), a stalwart pro-family ally on Capitol Hill, will guest host. He will be joined by his colleague in the House, Congressman Trent Franks (R-AZ). The two will discuss President Obama's executive order forcing taxpayers to fund embryonic stem cell research. Congressman Pence will also be joined by FRC's Ken Blackwell to discuss the scandal surrounding A.I.G. bonuses and what Congress may do in response to the President's massive budget proposal.
