Congressman Mike Pence took part in a webcast with the **Family Research Council** 's legislative advocacy group
FRC Action
last night, which drew over 75,000 viewers nationwide.

The webcast in its entirety is available **HERE** , and Congressman Pence's segment begins around the 52:20 mark.

Congresman Pence also participated in a press conference with other pro-life Members of Congress and leaders in the pro-life community yesterday to discuss the hidden abortion mandate in the Democrat health care plan.
