

Indiana State Senator Hits Blogosphere!

Monday, 07 March 2005 00:00

[Indiana State Senator David Ford](#) is blazing new trails in the legislature. To our knowledge, the Republican from Hartford City (which is in the Sixth Congressional District) is the first and only member of the [Indiana General Assembly](#) to have [his own blog](#)

. As regular readers of the Pence blog know,

[this is a great way to maintain communication with constituents and is the cutting edge of technology](#)

.

Way to go Senator Ford!
