

**WASHINGTON, DC** - U.S. Congressman Mike Pence released the following statement today regarding the shootings that occurred at Fort Hood yesterday:

**"Yesterday our nation was rocked with the news that a lone gunman opened fire at Fort Hood, killing at least 13 and wounding dozens more.**

**"Sometimes our heroes fall on foreign soil and sometimes they come home and fall, but we honor their service and sacrifice all the same. Our thoughts and prayers are with the wounded, their families and those who grieve this morning, and we mourn with those who lost loved ones in yesterday's senseless violence."**
