

Congressman Mike Pence and Congressman Jeb Hensarling appeared on the *CSPAN* program "Washington Journal" this morning to discuss the

**[Constitutional amendment](#)**

he is offering with Congressman Hensarling and Congressman John Campbell to limit federal spending to 20% of GDP.

More information on the Spending Limit Amendment is available [HERE](#) (one pager) and a longer summary is

[RE](#)

[HE](#)

Excerpts below:

**Why a Constitutional Amendment?**

**Why now?**

**Where were you during the Bush Administration on spending?**

**When will the spending end? Is it too late? What is the proper size/role of government?**

**On the relationship between taxes and growth and how big the size of government should be:**

**On the prospects for a Constitutional amendment:**
