Ms. Jody Tompkins

Dear Jody,

It is my honor and privilege to congratulate you on being awarded the annual Jack Cramer Award for service and commitment to the community. This honor is a testament to the commitment and dedication you have shown to young gymnasts in Bartholomew County.

A good coach can teach her players and performers lessons that last a lifetime; I know you are doing just that in Columbus. I commend you for the time and energy you put into enriching the lives of young people.

Best wishes to you as you continue your service to young athletes in Bartholomew County. I look forward to hearing of your future success.

Sincerely,

Mike Pence
