

Congressman Pence today honored Centerville photographer Allen Conrad, who recently [won first place in the black-and-white photography category at the Indiana State Fair](#)

. Congressman Pence's letter follows:

August 17, 2010

Dear Allen,

It is my honor and privilege to congratulate you on winning first place in the black-and-white photography category at the Indiana State Fair. I also congratulate you on winning Midwest Living magazine's Photo Contest. These honors are just a small indication of your talent and skill as a photographer.

Ansel Adams said, "Sometimes I do get to places just when God's ready to have someone click the shutter." You have done an amazing job finding those moments and sharing them through your wonderful photographs.

Best wishes to you as you continue to capture beauty across Indiana. I look forward to hearing of your success.

Sincerely,

Mike Pence  
Member of Congress  
Sixth District, Indiana
