

Congressman Pence today congratulated Randolph Southern School Corporation Superintendent Michael Necessary on being [named 2011 District VI Superintendent of the Year](#). Congressman Pence's letter follows:

September 16, 2010

Dear Michael,

It is my honor and privilege to congratulate you on being named the 2011 District VI Superintendent of the Year. This award is a testament to the commitment and dedication you have shown to the students, faculty and staff of Randolph Southern School Corporation.

President Harry S. Truman once said, "Men make history, and not the other way around. In periods where there is no leadership, society stands still. Progress occurs when courageous, skillful leaders seize the opportunity to change things for the better."

You demonstrated that you possess the qualities of a leader by introducing cost-saving programs and upgrades. I am encouraged by your desire to make things better for your school corporation despite its limited means. You are an inspiration to your peers all over the great state of Indiana, especially those in your community.

Best wishes as you continue your service to the Randolph Southern School Corporation. I look forward to hearing of your future success.

Sincerely,

Mike Pence
Member of Congress
Sixth District, Indiana
