

Today I visited Parkside Elementary School and Busy Bees Academy, both of which are located in my hometown of Columbus. When I was in kindergarten, I actually attended Parkside!

I had a great time meeting the teachers and students of both schools. I was able to share about my role as a Congressman and answer questions that the students had about Congress and how I became their Representative. Click to view photos of my visit to [Parkside Elementary School](#) and [Busy Bees Academy](#).

Speaking with the Students at Parkside Elementary School

Learning about the mission and vision of the Busy Bees Academy

Learning about animals alongside the students at Busy Bees Academy
